123 miles (1 way)
 Retrace route on the return trip or be adventurous and try the
 77>27>70>M route indicated. **Round Trip - 246 miles minimum**

Food and Fuel are plentiful along the route.
 Odd jog in route on GG thru Clam Lake, watch signs.

There is a pull-off on GG a couple miles before Mellen
 that has a look-out tower that might be worth the walk.

Entrance fee at Copper Falls SP is currently \$7.00 for
 WI residents and \$10 for out of staters. Disc. over 65.
 The loop is worth the walk but is steep/strenuous in
 spots.
